

February 2010

2010 Baseball Season

The Las Vegas High School Baseball Program boasts some very talented athletes, both current and alumni, a fine coaching staff, and a field that we believe to be one of the finest in the city.

Work is now in progress to upgrade our field even more. A recent Boy Scout Eagle Project provided a unique and beautiful entry area to the field which included a stone walkway featuring a Wildcat baseball logo and square stones. Here's how you can be a part of this outstanding display of memories and Wildcat Spirit.

We are very excited to offer you the opportunity to purchase a stone on the walkway. Your name and/or message will be an advertisement for the life of the Las Vegas High School baseball complex to be seen by players and fans alike.

The stones are hand cut, hand carved limestone with the sizes and prices of the stones listed below:

16 X 16 stone with 4 lines of print     \$500

12 X 12 stone with 4 lines of print     \$250

8 X 8 stone with 3 lines of print       \$150

4 X 8 stone with 2 lines of print       \$75

Artwork and additional lines are also available for a cost to be determined.

For more information or to purchase a stone, contact Coach Sam Thomas at Las Vegas High School-799-0180 X 4087; or you can email the coach at [thomasj@interact.ccsd.net](mailto:thomasj@interact.ccsd.net).

Thank you in advance for your support of the Las Vegas High School Baseball Program.

Sincerely,

Sam Thomas  
Head Coach
